1. Read the guidelines and useful resources
2. Make sure your project addresses the priority areas and criteria
3. Speak to your community
4. Find out what is already happening in your community
5. Have a basic project plan:
   • What is your project?
   • What are you aiming to achieve?
   • How are you going to do it?
   • What’s your timeline?
   • What’s your budget?
6. Do you have capacity to deliver your project?
7. Think about how the lessons and outcomes from the project can be recorded and shared with others
Tips for writing your application

- Use evidence
